

About Zona Industries

Zona Industries, ISO 9001:2008 certified, ISO 13485:2003, CE mark and FDA registered company has been manufacturing and supplying Eyelash Extension Tweezers, Manicure and Pedicure Tools all over the world since 1990.

Eyelash Extension Tweezers at Zona Industries

Our production team work under the supervision of skilled engineers and technicians with great passion who begins from high grade stainless steel and hand craft them into tools of perfect quality, comparable to German quality standards. A combination of traditional manufacturing method and modern technology helps us to produce all the eyelash extension tweezers and manicure, pedicure instruments in quality, in time and at very affordable prices.

Experience

We learn something new everyday. But more than 30 years of experience provides Zona with sufficient technical requirements in the most efficient manner.

Research and Development

Our R&D cell (research and development cell) is working all the time to develop the new and worth seeing instruments for the beauty care tools industry. We have a lot of ideas to develop new instruments for beauty care tools industry and have successfully developed new designs of tools according to our customer's choices, therefore our customers are satisfied with our workmanship and quality.

Commitment

Our commitment is to meet the changing needs of beauty care industry and to lead the industry by providing quality instruments at competitive cost.

We understand the diverse needs of our customers and know that quality along with delivery times are the most important and common requirements of our customers from both the segments. This realization allows us to serve our customers in the most efficient and cost effective manner.

PROFILE

IN HOUSE FACILITY

Quality Management Systems

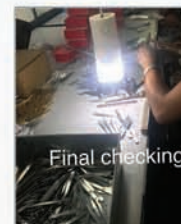

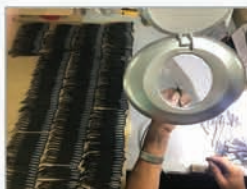

Zona Industries is an ISO 9001:2008
ISO 13485:2003 certified, CE & FDA registered company

- ☑ ISO 9001:2008
- ☑ ISO 13485:2003
- ☑ CE Mark
- ☑ FDA Registered

Although this catalogue doesn't cover all the range of eyelash extension tweezers yet it assures you that we can make every type of tweezers. So we will welcome your all inquires also, for your required instruments which have not been listed in this catalogue.

Production / In House Facility

All Zona production departments are well equipped with the latest, machinery imported from Germany, Japan, Korea, USA and England, and well staffed with the expert technicians trained from our strategic joint venture network.

TITANIUM

ALLOY METAL

**Eyelash Extension Tweezers From
ZONA - PAKISTAN**

***Safest tweezers in the world;
No infection No allergy !!!!!!!***

Titanium Eyelash Extension Tweezers: ZONA INDUSTRIES presents titanium alloy made eyelash extension tweezers which have very flexible tips (low density and high strength).

Each tweezers has weight about 8 gm, which is 40% lighter than other stainless alloys.

Titanium made tweezers are extremely corrosion free and stain free.

Our Titanium tweezes are also have a high heat resistance, in excess of 400 degrees celsius, and are completely non-magnetic.

Titanium tweezers are highly resistant to corrosion in sea water/salt water, aqua regia and chlorine.

COLOR AND PRINT RANGE

Neon Color Coating Range

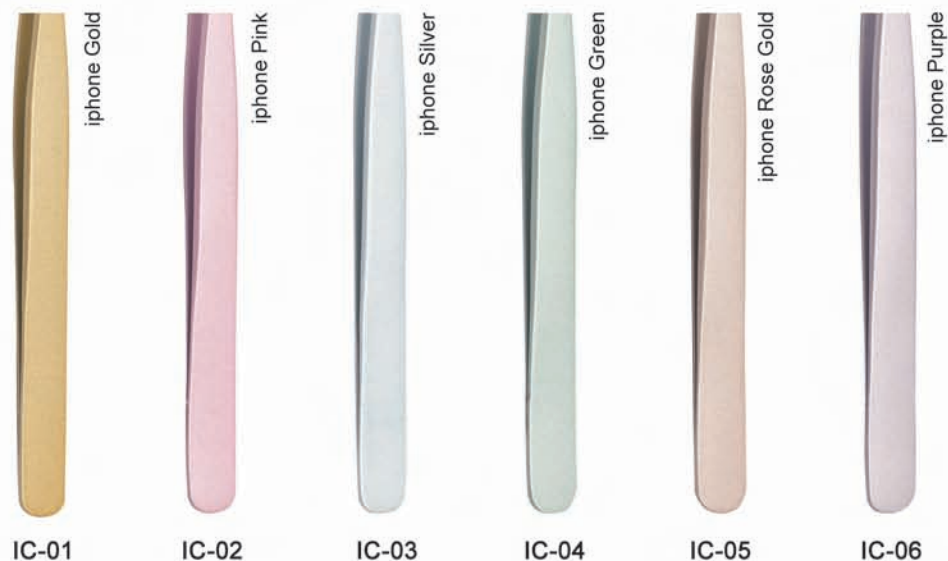

Neon Colors:

All our tweezer models are available in neon colors.

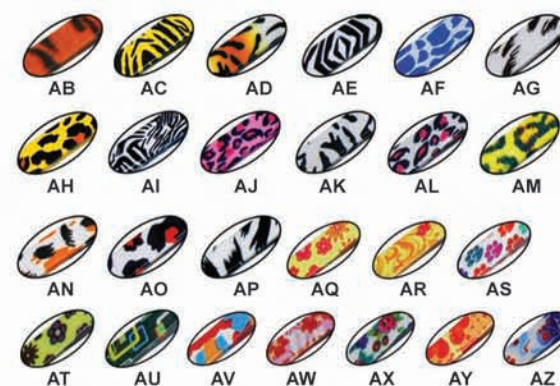

Neon colors are bright colors that appear to glow with intensity.

IPhone Color Coating Range

All our tweezer models are available in iPhone colors.

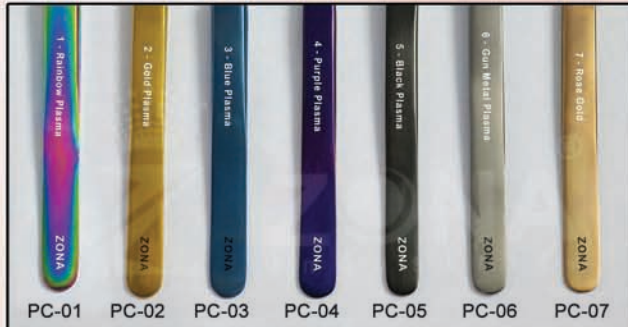

Animal Print Color Range

All our tweezer models are available in wide range of animal print. Follow your animal instincts and choose one or all of our Animal Print Range.

PLASMA COATING RANGE

Plasma Color Coating Range

Plasma spraying is a thermal coating process in which particles that have been softened by heat form a coating onto a substrate.

This process aims to prevent corrosion or damage and allow materials that have been sprayed to last longer and have improved resistance.

MICROBLADING TOOLS

Microblading is an art and with this, a microblading artist needs the best set of tools to do great work.

Microblading uses a hand-held tool which holds the blade and needles to create thin and natural-looking strokes.

Zona offer a wide selection of microblading tools.

TWEEZERS HOLDING WRISTBANDS

ZT-12020-01

Tweezers Holding Wristband keeps your tweezers at hand and avoids dropping them and losing their precise and pointy tips.

Provides a third helping hand when you need it most!
